STATEMENT OF UNDERSTANDING

The primary goal of the Elite & Rec-Plus Program is player development and challenging players to become better. This is pursued through enhanced skills training, challenging conditioning and widening competition. All players registered for CLRA's Recreation Leagues are eligible for the Program. March 1st is the date when pool of players is set. April 13 is deadline for submission of permanent rosters. Some players may not be chosen for that final roster. However, every player will see competition prior to that date. The teams selected in the Spring will represent CLRA at the President's Cup (the annual Elite & Rec-Plus State Championship held in May).
